

A big **thank you** for purchasing my

I hope you find this pack useful to create a great game!

If you have any support questions, please contact me at [ricimi.com](https://ricimi.com).

Please make sure to include your invoice number.

The Frozen **Frozen GUI Pack** can only be used under the  
Unity Asset Store License Agreement which you can find [here](#).

## 1. Copyright license & terms of use

The **Sweet Cakes Icon Pack** can only be used under the standard **Unity Asset Store End User License Agreement**. A Copy of the Asset Store EULA is available [here](#).

The copyright of the **Sweet Cakes Icon Pack** and all of its contents belongs to ©ricimi. After purchasing the **Sweet Cakes Icon Pack**, you have the right to use it only for the purposes of developing and publishing a game.

**Please note that you are not allowed to redistribute or resale the Sweet Cakes Icon Pack or any of its contents for any purpose. To distribute or resale this product is not permitted under any circumstances and is strictly prohibited.**

Thank you for understanding and respecting my work.

## 2. What is Sweet Cakes Icon Pack?

The **Sweet Cakes Icon Pack** contains 110+ cake icons that can be used in any kind of games.

While the sprites themselves do not depend on any specific Unity version, the accompanying demo project requires **Unity 2021.3.20 or higher**.

## 3. Asset structure

After importing the asset package into your Unity project, you will see all the resources provided live in the **SweetCakesIconPack** folder. This folder is further subdivided into the following subfolders:

### Demo/Scenes:

Contains an example scene that makes use of all the sprites included the pack via Unity's UI system. Please note the demo is only intended as an example showcasing all the cake icons.

### Documentation:

Contains this documentation file.

### Sprites:

Contains all images as .png files, partly layered .psd files and the **Affinity Designer 2** source files.

## 4. Contact

If you have any support questions, please contact me at [ricimi.com](https://ricimi.com).

Please make sure to include your invoice number.

I am always happy to help. 😊
